We reviewed our Bank of America Visa Business Check Card benefits and discovered that while some check card benefits are frequently used by our customers, others are not. In an effort to serve you better, we have streamlined our business check card benefits to provide the services used most. With this in mind, Bank of America is making some changes to your Bank of America Visa Business Check Card benefits and we want you to know about these changes which are effective July 1, 2006. At that time, Bank of America Visa Business Check Cards will no longer offer: Price Protection or Concierge Service.

Bank of America will continue to offer popular benefits that make a difference to our customers, including Total Security Protection our standard in check card security. For more information on Total Security Protection or your other benefits, refer to the insert included with your statement or go to www.bankofamerica.com/sbcardupdate.
